1 April 2020

Dear Parents/Carer

I hope this letter finds you well and safe. Many thanks for your continued support and kind messages about the work we have been providing. I think given the circumstances, we are all managing to the very best of our abilities and parents, staff and pupils are doing an incredible job.

Over the Easter holidays, we intend to take a break from our normal school work. Teachers will not be setting work over this period, but will start again on the first Monday of the new term (20th April). Whilst we are aware that so many students and their families have got in to good routines, we do all need a break.

Students may also, of course, use this time to make sure they are up to date with their Teams work ready for the new term. However, please keep in mind that staff will not be contactable during the holidays.

If you are a Key Worker then the school will remain open to your children, Monday -Thursday the first week and Tuesday - Friday the second week (i.e. not on Good Friday or Easter Monday).

The format of the day will change slightly and become less focused on the online learning, reflecting the fact there will be no set work during this period. Students will need to have their own packed lunch and snack for the day, as we have no catering provision on site.

If you require your child to attend our Easter provision may I please ask you to let us know the name of the pupil(s) attending and the days required via – enquiries@thomasadams.net

This will probably be my last letter this term (although we are expecting an announcement about GCSE's and A' Levels this week so I may be writing to Year 11 and 13 parents before the end of the week), so please accept my best wishes for the Easter holidays.

Many thanks for your continued support, co-operation and hard work. I really appreciate this during these difficult times.

Yours faithfully

M Cooper
Head Teacher
