Dear Parents,

I hope that this finds you and your family well in these unprecedented times. As I promised in my previous letter, please find enclosed the **Moving Up 2020** booklet for your child and, for yourselves, the **Essential Guide for Parents**.

The **Moving Up** booklet is usually issued to students and discussed when I visit each child at their school. At the time of writing, I do not know when this will take place so wanted your child to receive it as soon as possible. Please encourage your child to have a look and perhaps you could talk through some of the information with him/her. Your child's class teacher is also aware that of this document and they may wish to use it in school as/when children return.

The **Essential Guide for Parents** provides a wealth of information for parents/carers about transition to Thomas Adams School and we hope that you find it useful. This document is usually provided at the Parents' Information Evening in July but I thought that it would be beneficial to receive this as soon as possible this year, in these unusual circumstances.

At the time of writing school leaders are obviously planning the return of some year groups to school. At this point I am unable to confirm how or when **Student Induction Day(s)** will take place or when we will have our **Parents Information Evening(s)**. As soon as we are in a position to share details with you we will obviously do so as a matter of urgency.

In relation to this, and to enhance our ability to keep you informed during these uncertain times, we hope that you will support us by **providing your email and mobile contact details**. Once we have this information, it will be much easier and more practical to stay in touch with you and keep you up to date with developments. Please see the enclosed A5 green sheet and provide us with your contact details by email as indicated (preferred) or post them to us at school. This will aid us greatly and I thank you in advance for your support.

We continue to use our **school website, specifically the 'Admissions' area**, to share resources/information regarding transition from Year 6 to Year 7 this year – hopefully this will provide useful information for children making the transition but also for parents/carers too! All letters, documents and other information (including some videos from staff and students!) will be posted here – please go to [www.thomasadams.net/admissions](http://www.thomasadams.net/admissions)

Many thanks for taking the time to read this information. We eagerly look forward to meeting you and your child and we will, as stated above, keep you updated as the situation unfolds.

Very best wishes.

Yours faithfully,

Lea Winter
