Dear Parent/Carer

In line with the Government guidance about the wider opening of schools, we would like to invite our Year 10 students to attend school on Wednesday 24<sup>th</sup> or Thursday 25<sup>th</sup> June for a mentoring style day, where pupils will be kept in 'bubbles' of no more than 8 – 10 pupils, depending on room size. They will have access to form tutors and core subject teachers (Maths, English and Science - although this may not be their normal teacher).

In keeping with social distancing advice, these meetings will be in classrooms that have been adapted to allow suitable spacing - students and staff will be seated two metres apart. Once we have received the responses from the form I mentioned in my earlier letter, we will be in touch with you to say which day pupils will need to attend - this will be done ensuring we do not exceed the 25% of the year group at any one time. If numbers are more than we expect, then we will make additional provision on other days.

In terms of transport, it would be easier and safer for students to make their own way to and from school. If school transport is required, please complete the relevant section on the form, or contact Mrs Howells on [bjh@thomasadams.net](mailto:bjh@thomasadams.net) to let her know.

When arriving at school, students should make their way to the front entrance of school, where they will be welcomed by a member of the Senior Leadership Team, who will give further guidance as to which rooms teachers will be in and the expectations for student conduct whilst on site.

Kind Regards

Mark Cooper  
Headteacher
