What is Onshape?

Onshape

Thomas Adams D&T challenge task. Onshape self learning program.

- How to log in, set up a FREE account and learn a professional program worth an annual licence fee of \$2,100 per year!
- This is a fantastic opportunity to fill your time, learn a program and get certification for your CV. This is an industry standard piece of CAD software which is extremely powerful. This will allow you create files to 3D print from.
- The course is **complex** in parts, but if you're interested you'll pick it up and fly through it! This would be an excellent use of your time and would be highly valued by future employers, colleges and universities.
- I'm learning at the same time, so join me in gaining a new skill. Every day is a learning day 😊
