

## The Thomas Adams Sixth Form

### Admissions Policy 2023-2024

- To study at The Thomas Adams Sixth Form, we ask for a minimum of 5 GCSEs at grade 4 or above, including English and Maths, in order to cope with the demands of Level 3 study.
- However, many subjects will require students to achieve at least a grade 5 or higher – so please refer to the individual subject outlines for further details.
- If students do not achieve a grade 4 or above in either English or Maths, we are able to offer a compulsory resit in the required subject, alongside a limited choice of other Level 3 courses.
- Students who achieve at least 5 x grades 4+ but who only achieve 3 in En, 3 in El (with a 4+ in Ma) will be accepted onto appropriate courses, but will need to resit En.
- Students who achieve at least 5 x grades 4+ including En or El, but 3 or lower in Ma, will be accepted onto appropriate courses, but will need to resit Ma.
- If there have been extenuating circumstances, individual applicants are requested to contact us to discuss these.
- Whilst we will endeavour to run all of the courses offered, they will only be viable if sufficient numbers of students elect to study them.

#### **In addition to the general entry requirements, there are the following subject-specific entry requirements:**

	<b>Entry requirements</b>
