

# ADAMS HOUSE NEWSLETTER

February 2024

As January comes to a close, we reflect on the month that has passed at Adams House—a month filled with camaraderie, adventure, and warmth despite the chilly weather outside. From cinematic escapades to adrenaline-pumping climbs, ice skating, sports, and spirited inter-house competitions, our Adams House community has thrived on the energy of togetherness and shared experiences.

**Cinematic Journeys:** Our journey through January began with the magic of the silver screen. Adams House boarders embarked on cinematic adventures in Shrewsbury. We have also carried on with our movie nights in the house. This provided a cozy retreat from the winter chill, allowing us to immerse ourselves in captivating stories and shared laughter.

**Scaling New Heights:** With an adventurous spirit and determination in our hearts, Adams House boarders tackled the heights of climbing walls. Each ascent was not only a physical feat but also a testament to our collective strength and support for one another. Through every reach and grasp, we forged bonds that will endure far beyond the climbing walls.

**Graceful Glides on Ice:** The frozen wonderland of ice skating beckoned, offering moments of grace and exhilaration on the ice. Whether spinning with finesse or taking tentative first steps, our boarders embraced the challenge with enthusiasm and joy.

**Sporting Spirit:** As ever, sports fever gripped Adams House in January. Friendly competitions ignited the competitive spirit within us, fostering teamwork, sportsmanship, and a sense of belonging. Through victories and defeats, we stood united, celebrating the thrill of the game and the bonds forged on the field of play. Whether its in the evenings, at weekends or through school, we have had a very active time this half term.

**Inter-House Thrills:** The heartbeat of Adams House resonated with the pulse of inter-house competitions. From quizzes to 'cracker eating'. We have talent shows to culinary showdowns planned. The new competitions have been designed to recognise going above and beyond and will allow our boarders to showcase their skills and passion in friendly rivalry. These events were not just about winning or losing but about coming together as a community, celebrating our diversity, and embracing the unique talents that make Adams House shine.

As we bid farewell to January, let us carry the warmth of our shared experiences into the days ahead. With each new adventure, challenge, and triumph, may we continue to grow as individuals and as a community, united in the bonds of friendship and the pursuit of excellence.

**Thank you for being a part of the Adams House community. We are committed to making the boarders stay with us as enjoyable and memorable as possible. Please spread the Adams House name wherever you go, so as many people know about 'Shropshire's Biggest Family'.**
