Year 10 and 12 Work Experience – Dates for work experience have not yet been confirmed. Please be aware that it is possible that work experience will be during the final week of the summer term. Boarders need to be available to complete work experience when dates are confirmed. This can be undertaken in the child's home location.

Parents are requested to adhere to holiday dates – failure to do so will seriously affect your child's education and may result in them being withdrawn from certain subjects/examinations. Any absences outside the agreed holiday dates will be marked as 'unauthorised' and parents may be subject to a fine from the local authority.

Please note – attendance is a figure which is always requested on reports and references and a low attendance record could seriously hamper a child's chance of getting into college/university or even a job in the future.

We aim for all of our boarders to have an attendance record of 95% or above.
